Long-Term Rental Documentation and DSCR Calculation (3.11.24)

· Purchase Transactions:

- Monthly Gross Rents are the monthly rents established on FNMA Form 1007 or 1025 reflecting long term market rents
- If the subject property is currently tenant occupied, the 1007 or 1025 must reflect the current monthly rent Vacant or unleased property is allowed without LTV restrictions

· Refinance Transactions:

o Required Documentation:

- FNMA Form 1007 or 1025 reflecting long term market rents, and lease agreement
- If the lease has converted to month-to-month, then provide most recent two (2) months proof of
 receipt to evidence continuance of lease. If unable to provide evidence of receipt, the unit will be
 treated as vacant and subject to the 5% LTV reduction and use of market rent.
- o Vacant or unleased properties are allowed, and the maximum LTV allowed is reduced by 5%.

DSCR Calculation:

- Debt Service Coverage Ratio is the Monthly Gross Rents divided by the PITIA of the subject property. See this matrix for required Debt Service Coverage Ratios.
- o Gross rents divided by PITIA = DSCR

Monthly Gross Rents for Purchase and Refinance are determined by using the actual lease amount or estimated market rent for 1007/1025 as follows:

- If using the lower of the actual lease amount or estimated market rent, nothing further is required.
- If using a higher actual lease amount, evidence of 3-months of receipt is required.
 - Evidence of 3 most recent consecutive months of rent received
- If using a higher estimated market rent from 1007/1025, it must be within 120% of the lease amount. If the estimated market rent exceeds the lease amount by more than 120%, the estimated market rent is capped at 120%.

Short-Term Rental Documentation and DSCR Calculation

Short-term rentals are properties which are leased on a nightly, weekly, monthly, or seasonal basis. For example: AjrBnB, VRBO, Elipkey, etc.

Short – Term Rental Income – Refinance or Purchase Transactions:

- LTV/CLTV limits:
 - o Purchase: Lesser of 75%, or the LTV/CLTV based upon the DSCR/FICO/Loan balance matrix.
 - Refinance: Lesser of 70%, or the LTV/CLTV based upon the DSCR/FICO/Loan balance matrix.
 - See matrix for condo hotel LTV/CLTV limits.
- Ineligible for No Ratio (DSCR < .75)
- DSCR Calculation:
 - Monthly gross rents based upon a 12-month average to account for seasonality required.
 - o Gross rents reduced by 20% to reflect extraordinary costs (i.e., advertising, furnishings, cleaning) associated with operating short-term rental property compared to non-short-term property. If the rental documentation referenced below includes expenses, actual expenses should be compared to the 20% expense factor. If actual expenses are less than 20%, a minimum 20% expense factor is required to be utilized. If actual expense exceeds 20%, the actual expense factor should be used.
 - o (Gross Rents * .80) divided by PITIA = DSCR.

Any of the following methods may be used to determine gross monthly rental income:

- A 1007 or 1025 Comparable Rent Schedule survey prepared by the appraiser reflecting long-term or short-term market rents.
 - If long-term rent is utilized, 20% expense factor is not to be applied.
- o The most recent 12-month rental history statement from the 3rd party rental/management service.
 - The statement must identify the subject property/unit, rents collected for the previous 12-months, and all vendor management fees. The rental income will exclude all vendor or management fees.
- The most recent 12-month bank statements from the borrower evidencing short-term rental deposits.
 Borrower must provide rental records for the subject property to support monthly deposits.

 - o Vacant Unit(s) Use 75% of market rents. Max: 2 vacancies
 - Reduce qualifying rents by any management fee reflected on appraisal report.
- Copies of any existing leases must be provided (Purchase and Refinance transactions).
- If lease has converted to month-to-month, then provide the most recent two (2) months proof of receipt to
 evidence continuance of lease.
 - o If this criteria cannot be met, then 75% of market rent is to be used to qualify.
- Short-term rental use/income not eligible.
